

## TERMS AND CONDITIONS OF A USE CASE PRESENTATION

**The future of energy is shaped by the innovative, digital, and bold**

PRESENT YOUR USE CASE  
at the region's leading event for  
the digital transformation of energy

Deadline for applying: **November 18, 2022 (Friday)**

Do you have an interesting use case in the field of (clean) energy digitalization?

***Accept the challenge and apply to present a use case at the leading event for the digital transformation of clean energy***

### TOP 5 BENEFITS OF PRESENTING A USE CASE

- ✓ By speaking, you engage with high value prospects on a personal level while gaining visibility, trust, and brand awareness
- ✓ You are a part of the event campaign on the official website and social media, in invitations, media publications, etc
- ✓ 3 in 1: The fee (€490) covers the presentation as well general admission and business networking
- ✓ Attend a free workshop for speakers - online
- ✓ You have an exclusive option for a custom-made promotional package, which will help you create maximum engagement and achieve your business goals

# YOUR PRESENTATION\*

- ✓ A 10-minute slot will be allocated to you on one of the presentation tracks (up to 3)
- ✓ We expect that all use cases will be presented live
- ✓ There will be an opportunity for face-to-face interaction with interested participants after the presentation
- ✓ *\*The organiser reserves the right to change the order and schedule of presentations*

## Simple sign-up - Until November 18, 2022

- ✓ Signing up is easy and only takes a few minutes. Fill out the application form on the website <https://en.prosperia.si/contact-form-submit-presentation/>

## 1. TERMS AND CONDITIONS OF A USE CASE PRESENTATION

### THIS YEAR'S SELECTED TOPICS

Your use case should cover one or more of the topics below:

Efficient use and saving of energy	Green transformation of energy	Energy storage technologies	Renewable energy sources
Energy self-sufficiency	Decarbonisation of energy	Hydrogen	Connecting energy solutions with other sectors
Smart cities and regional collaboration	E-mobility	Investments in infrastructure	Energy trading and sales
ICT technologies and digitalization	VR, AI, and machine (deep) learning	The future of digitalization	Other: _____

*You will receive the final confirmation for the presentation from the organiser.*

## 2. PROMOTION

**You will be extensively involved in the entire event campaign and program.**

Media representatives are traditionally present at the event.

The organiser, Prosperia, d. o. o., reserves the right to publish the presentations or other contributions in digital (internet, photo, video) or printed form.

### 3. PROGRAM COUNCIL AND THE SELECTION PROCESS

If the organiser receives more applications than the number of available places, the following will have priority:

- Applicants who will present the most breakthrough technological, business technological solutions
- Use cases that will be presented for the first time
- Applications on a first come, first served basis
- Presentations that will explore the intersection of various topics listed above

The organiser and the Program Council reserve the right, at their own discretion, to reject submitted presentations when content does not correspond to the announced topics or is not suitable for presentation.

### 4. USE CASE SPEAKER PASS (can only be used by one person)

The Use Case Speaker Pass must be paid by no later than November 25 or after confirmation by the Program Council. **This is a condition for placement in the program and presenting.**

Applications are open until November 18	Payment until November 25
Presentation of a use case (fee covers a presentation and general admission for one person)	€490, VAT included

### 5. YOUR PRESENTATION AND PPT FILE (deadline: December 2)

The content of the presentation should emphasize practical solutions. If the presentation has already been publicly presented, please keep it up-to-date by considering the latest developments in your field, and state in your application where and when it has already been publicly presented.

### 6. GUIDELINES FOR PREPARING A PPT PRESENTATION

- Recommended number of slides: 5 to 12, including the title page
- Content: practical and innovatively oriented
- Format: font size of at least 28, with a recommended font size of 40; preferably a dark font on a light background

#### **PPT content and structure (recommendations)**

- Description of the use case (why it is important, what problem it solves, and how it solves it)
- Advantages/benefits of a use case
  - If a use case targets the market: advantages over the competition
  - If a use case applies to internal processes (e.g. work process improvement, internal services): description of the benefits of the use case, what it improved and how
- A brief description of where and how you will offer the solution to customers/use it in the company
- Final goal – What would you like to achieve with your solution or what does success mean to you?

Please send your PPT presentation by Friday, December 2, 2022, to [info@prosperia.si](mailto:info@prosperia.si).
